

Graduate Nurses of the City of Washington gave a reception to the American Federation of Nurses in the Banquet-Room of the Hotel Shoreham. The rooms were beautifully decorated. There was excellent music, and the proverbial Southern hospitality was a characteristic of this entertainment, and of all other arrangements made for the pleasure of the visitors.

On Tuesday an invitation was received from the Spanish-American War Nurses to the unveiling at Arlington of the monument to those nurses who died in the service of their country. The regret was universal that this ceremony had been arranged to take place at a time which rendered it impossible for the members of the society to be present to pay the tribute of reverence and respect which they desired to offer upon such an occasion.

The following officers of the society are elected for the coming year:

President, Miss Annie W. Goodrich, the New York Hospital; first vice-president, Miss Georgia M. Nevins, Garfield Hospital, Washington; second vice-president, Miss Helena McMillan, the Presbyterian Hospital, Chicago, Ill.; secretary, Miss M. A. Nutting, Johns Hopkins Hospital, Baltimore, Md.; treasurer, Miss Anna L. Alline, Teachers College, N. Y.; councillors—Miss Jane Delano, Bellevue Hospital, N. Y.; Miss Lucy Walker, the Pennsylvania Hospital, Philadelphia, Pa.; auditors—Miss Hall and Mrs. D. H. Kinney, Superintendent Army Nurses.

M. ADELAIDE NUTTING, Secretary.

dean of Teachers College, adjoins the college on the east. It is a handsome fireproof building, ten stories in height, specially designed and constructed for students' use. Every room is outside, and the arrangement is such that rooms may be rented singly or in suites of two or three. There is also a limited number of suites consisting of two rooms and private bath. The building is heated by steam and lighted by electricity. There is complete telephone and elevator service, a system of shower, needle, and tub baths on each floor, and a steam laundry equipped with all the modern machinery. The public parlors and reception-rooms are on the main floor, and there is also a small sitting-room on each of the upper floors. The dining-room and restaurant are on the ninth floor and command extensive views over the city and the North and East Rivers. In addition to Whittier Hall, there are also a number of apartments, consisting of seven and eight rooms and bath, in The Lowell and The Emerson, the two end sections of the building, which are fitted for housekeeping and may be occupied by families. The entrances to the apartments are entirely separate from those to Whittier Hall. The head of the hall is a woman familiar with the needs of college students; she is aided by a corps of competent assistants, among them a nurse who gives whatever attention is required by residents in case of slight illnesses. The directress of Teachers College also resides in the hall and has a part in directing its social life.

No deduction is made for absence during the year, but in case of withdrawal one-half rates will be charged from the time the key is given up until the room is rented again.

A deposit of ten dollars is required of all applicants, and is retained until the end of the academic year, when it is returned less the amount assessed for any damages to room or furniture.

A descriptive circular with diagrams will be sent to any address on application to the secretary of Whittier Hall, 1230 Amsterdam Avenue, New York City, or to the secretary of Teachers College.

## THE PORTLAND CONFERENCE JOURNEY FROM NEW YORK

THE New York party will start on Monday, July 10, at ten-twenty-five A.M., by the Lehigh Valley and Grand Trunk Railroads to Chicago. If twenty or more berths are sold in advance, a through Pullman, New York to Portland, will be provided. Passengers will have about three hours in Chicago, where their car will be joined to those going over the Chicago Great Western to St. Paul. The dining-car arrangements on the L. V. and G. T. roads are *a la carte*. The roads are excellent ones. The advantage of the through-car arrangement is so great that it is worth while to make considerable effort to effect it.

People from neighboring States, Connecticut, Pennsylvania, New Jersey, etc., will take the train at New York or join it along the road.

The programme is very full and interesting, and there is promise of splendid attendance. Hotel accommodations will be ample and the rates will be strictly moderate. The prevailing rate for accommodations in European hotels and private houses will be \$0.75 to \$1.50 a day for rooms only. In boarding-houses and hotels from \$2 to \$3 per day will be required. The Hotel Portland, which is the best hotel on the coast and one of the best in the country, will be headquarters, and intending delegates will do well to write to the Hotel Committee soon and secure rooms if they wish to stay at the headquarters hotel. Address W. T. Gardiner, chairman Hotel Committee, Portland.

A careful estimate has been made of the actual necessary cost of the trip, including railway ticket with privilege of return by different route, sleeping-car fare (two people in a berth), meals on the dining-car, and ten days accommodation in Portland, and it is calculated that the total expense does not need to exceed \$75.25 from St. Paul, \$88.75 from St. Louis, and \$92.50 from Chicago. These rates are based upon accommodations in standard Pullman sleepers, two persons in a berth, and meals on the diners going. This does not include berth or meals on the return journey.

To make so long a trip agreeable and successful the members must travel together, so a Conference route has been planned. While east of Chicago no definite line has been decided upon, it is certain that dele-
